

Dear Parent/Guardian:

Many of you have likely read about a serious student incident that occurred at our school a few weeks ago. As part of that story, much focus has been on me as the building leader. In order to allow the school less distraction and continued focus on student learning I have asked the Board of Education to allow me to take a leave of absence for personal reasons. The Board of Education has granted that request.

It is with heavy heart that I also inform you that I have decided to resign as Principal of Liberty Middle School at the end of the school year. The District has assigned additional administrative help for my time of leave. I ask that you give them your full support. Please know that I have thoroughly enjoyed working with Liberty Middle students for the past 8 years. I will miss the daily interactions with students, staff and the greater Liberty Public Schools community.

Sincerely,

DAN WEAKLEY
