

Dear Honorable Judge Brenda Cameron

The Lenexa, Kansas Police Department Has Places nothing but Lies on Me and on My Great Healthy, Perfect, Loved, Cared for, in No Dandered 100% Safe with the Myself (Their Biological Father), Wonderful Children, and Placed my Children in an Unhealthy Group home Living Situation, to get Neglected, abused, Raped, and indangered and Turn out to be sluts, Criminals, Drug Addicts, Mentally Unstable, etc.

And You Call Yourself Honorable, You Call Yourselves Honorable Justice System. I think Not, Condoning Lies from Police and Attorneys and Abducting Children and Family Men and women is not at all Honorable, nor Justice and Deffitnetly not Constitutionally Correct.

So all I ask for the Sixth time on File, is for my Rights and My Childrens Rights to be given to us and to Stop Condoning all the Lies from Courtney T. Henderson and Jason Billam and The Lenexa, Kansas Police Department, and to fire the TWO Liar Snake Attorneys off my Case and to Please Get Me a New Attorney who will Actually Help My Case and Actually fight for me, instead of Against me.

Also I Need You to Drop this Lie of incompetency and Drop the Evaluation and Let me stand trial Please, Because I know what I am in here for and I know what to do at trial, I just need a Competent Attorney to Help Me and Not one who keeps Me in the Clouds like Courtney Henderson Did is
