

g Quinn and (Miss Sketch Artist) - Sorry I forgot Your Name

Resident Mail From
Johns County, KS

This is Justin Todd Rey,
I just would like to say thank you both
for taking the time to come see me, and also
for taking my side of the story (The Truth).
Thank you so so so much...

I really wish we had more time and had
better communication than that dang ol video visit;
yet it was wonderful to have visitors and
specially you Kathy Quinn and you to Miss Sketch
Artist. I have not had a visit in one year/this
whole time in jail; so, I thank you, both of
you...

Also, I am sorry for talking over you; and also talking
so much at a time; I just was trying to fit it
all in. There is so much more and so little
time; I hope I didn't make myself look a fool, etc.
and I hope I did not offend you.

Either way, again, - Thank you both...

P.S. (Sean Ty Fere) Proper spelling...
For the fella/our dear loved one that they claim I murdered/alleged.

I'm not a Murderer... etc. and damn well not a Child-
Petophile... So, anyway you both have a wonderful Holiday,
and I hope to some time be able to see you again. Prayerfully Under Better
Circumstances.
