

Dear Honorable Judge/To Whome This May Concern...

AFTER Mr. Hendersons Crood Statement on the Morgue getting rid of My Wifes Remains and How they Fill fit just as the Morgue Did in Jackson County, MO. I Personally Stood Up and Said You Courtney Henderson Have the Nerve and I Promise You this Courtney Henderson that God Will Prevail and You and Your County are not Cool and I'll Do anything till My Last Breath to Stay Strong and Leek this out to the Nation and I'm Never going to Shut Up Now! and then Mr. Henderson Said that He figured I'd Say that and asked if I remembered the Palm Springs Cali. Murder I Did, and I said What the Hell are You talking about I — Never Murdered Anyone and Courtney Henderson Said Yes You Did "Now!" and So I said To Mr. Henderson that I Dare Him. and That He and His partner Jason Billam and anyone involved in this Set Up/Framing Me will Go Down 1 Day, Even if its 20 Years Later. I'll Never Forget who Did this to Me & My Family and God willing it Does not Come Down to this I said but ("I'm a Law Abiding Citizen") get that Strait and I will Never Forget what's Happened. So I told Him to stop and Let Myself and My Family and Our Belonging Go back Home to Flagstaff, AZ. or Else and Then Mr. Henderson stopped Me and Said or Else What ("at the same time pressing the Screen on His PPhone.") I Said Never Mind — just Make Sure You Stop, Kill Me, or Let Me Go along with My Family and Our Items back Home and I Quoted A Few Movies Like Law Abiding Citizen/Punisher/Commando, etc. and then I said Never Mind that Nonsense God Gots this (Luke CHP. 18:1-8)
