Dear Marc Berry; I Really like and Trust You  
So Please Don't Let Me Down.  
Let me know what's going on, this is my family.

This is Justin Todd Ren,  
I'm still in jail, still in the hole, and still  
have not one Legal Reasoning, nor Legal  
Document's on any of this, all 3 state's  
not any Legal Document's, no proof of any  
indangerment nor any Truth in it, not one  
bit of truth in an Abandonment of a Corpse,  
nor any truth in a murder in Riverside County,  
Calif., and none of these thing held against  
me are true, nor can ever be proven there.

So why is it that I'm in the  
hole/in jail and Not one person is helping  
get me out?

No Communication from You?  
nor anyone ~~on~~ this matter/Criminal Case,  
nor the other two State's?

If You would like to stay on  
this judicial Case fine, Yet I need Some  
Communication and You to Come and Visit me  
Please and at once/A.S.A.P. and get me out  
of Jail, find me an Attorney that will fight  
for me and my rights and find a way to  
get Courtney T. Henderson and Jason Billam's  
Snake Attorney - Illegal Doing ASS's off my Case.  
Please and Thanks
